Helios series

The serie Helios is the most comprehensive offer of metal shelving in our market. The racks combine the best materials, unusual strenght and a large possibility of helves assembly.

Wamar-Sosenka is a company with almost 30 years of experience in the production of wooden, plastic and steel racks and other wooden products.

Our aim is to satisfy each client with the best quality of products.

Our goods are available in big chains of DIY shops, but also in the Internet shops and small retailers throughout Poland and the European Union.

We are also developing our own brand of products "Modo24", which are available on the Internet. We can as well supply our client's own brands.
